Style Guy'd with Justin Kredible!

Justin Kredible's a Fashionst-o!

Actor, comedian and magician extraordinaire, **Justin Kredible** is, well...you get it! And as if his charming good looks weren't enough, he's also got quite an eye for style! For him, fashion isn't a trick, it's a treat! If you haven't seen him on "The Suite Life on Deck," JK is also the LA correspondent for **Rachael Ray** and has taken his magic show all over the country touring with **Jason Mraz** and **The Makepeace Brothers**. Find out what the master of mystifying appearances thinks about *our* style!

What feature do you notice first about a girl?

Her personality. Especially if her personality looks good in tight jeans.

What girl-trend are you so over?

I am so over girls wearing pajama pants and sweatshirts outside their house. I travel a lot and I see girls wearing pajamas everywhere these days...malls, restaurants, even planes. It's kind of hard to take you seriously if you have the Pooh on your pants...and I'm not talking
