

MAN CANDY

JUSTIN KREDIBLE

WEEKLY
OK!

**'I'm excited
and flattered
to be Man
Candy!'**

5 reasons why we love him...

1 He loves his mom. "I talk to her every day," the magician tells OK!. "I'm a mama's boy."

2 He's not a gym addict. "I like to hike, get a little dirt on my shoes – that's way better than the treadmill," says Justin, 28.

3 He treasures his Chihuahua, Freda. "I love a cute dog that I can stuff in my jacket," he laughs. "It's like I'm doing a magic trick!"

4 He's a softie. "There's nothing better than watching a kid's face light up when you pull a coin out of their ear and have them believe it's magic," smiles Justin.

5 He's generous. "When I'm back home in St. Louis, I do a magic show at the children's hospital to give something back," says Justin.
